Building Construction: Combustible (BCP) 16 hours

Course Title: Building Construction-Combustible

SFA Course Code: BCP

Length of Course: 16 Hrs

Prerequisites: Essential of Firefighting or Intro to the Fire Service, or Equivalent

Referenced Texts: NFPA 1500; NFPA 1561; NFPA 220

Class Fee: \$42 (*waived if training subscription was purchased*)

Description of Course: This course focuses on Type III, Type IV and Type V constructed buildings and what the first-in firefighter as well as the new and experienced officer need to know about the hazards associated with these types of construction. Student will be introduced to recognizing combustible construction prior to entering the structure as well as receiving an introduction to building codes associated with combustible construction, the collapse potential, and the fire behavior one can expect when working in this environment. A homework assignment *MUST* be completed to pass.

Dates: February 5th, 13th, 1830-2230; Feb. 23rd, 2020 0800-1700

Instructor: Bob Sells

All class registrations need to be completed on our website.

We will no longer be accepting emailed or faxed registrations. Once registered on the website, you will receive a confirmation email from us within 2 days, otherwise, check in with us by emailing John at John@ycfs.us.

This flier is to post at your fire company to gather interest. If your fire company does not currently have a website log-in to register for the class, please have your Chief email John, the Administrator, at John@ycfs.us to set one up. Any other registration questions may be sent to Registration@ycfs.us. Thank you.
