Fire Chiefs,

October 1, 2026

It is that time of year again. This is your opportunity to purchase a 2027 York County Public Safety Training Center Training Subscription. We are again offering a department wide training subscription to our local fire departments. Purchasing just one membership will cover every member in your department to train at our facility from January 1 - December 31, 2027.

If your department is planning on using the Burn Building for multiple Live Fire exercises in 2027, I recommend purchasing additional subscriptions. There is no limit as to how many subscriptions a department may purchase. Each department only needs to purchase one subscription to take advantage of the benefits.

The benefits of purchasing a training subscription:

- Student registration for YCPSTC courses at no cost except for books and supplies/lab fees
- 8 hours of structural burn building use for live-fire training at no cost for building use or materials
- One time use of roof ventilation prop at no cost for materials
- Unlimited use of other props, pump testing area and buildings at no cost (non-live-fire use only)
- 150 hours use of classrooms per subscription year (If you feel you will need more hours, please

purchase multiple subscriptions)

We have given you the option of buying a subscription with Live Fire included. You can choose this option if you like.

Online you will find a copy of our Facility Usage Request form. We ask that your department check the Training Center's webpage/calendar to know the best availability of our facility for your department's training needs. The Facility Usage Form must be filled out and submitted every time your department plans to use our facility. This form needs to be submitted in advance for any Non-Live Fire training requests and a minimum of 5 weeks in advance for any Live Fire training requests. **Remember, all registrations for classes are online.** If you do not have a log in, please have your Chief contact me so I can set your department up for online registration. james@ycfs.us (no individual log-ins permitted) If you have any questions, please feel free to contact us here at the York County Public Safety Training Center during normal business hours.

Sincerely,

James Pritchard
